

WorldChem

Overview

Versatile range of cleaning and sanitising systems offering outstanding value with a cleaning performance second to none – and maximum benefit from the cleaning product

Features

- 1 or 2 products, with rinse facility
- Fully approved chemical backflow protection meets EN1717
- Supplied with the unique patented Hydro Multi-Function Gun
- Range of other Foam/Spray guns available
- Retractable hose reel option
- Compressed Air injection option for richer foam
- Chemical container racks included
- Integrated hose holder
- Supplied ready-to-use

WorldChem is ideal for use in all heavy duty cleaning applications in food processing, restaurant kitchens, hospitals, abattoirs, dairies, vehicle washing.

System Advantages

Accurately

The right results from the foaming chemical – every time the unit is used – achieved through:

- The widest range of metering tips in the industry ensures the WorldChem can match your required dilution rate
- Excellent, easily directed product throw as spray or foam
- Air Chem model creates a rich clinging foam with excellent dwell time

Safely

- Patented dual eductor technology
- No accidental mixing of chemical products
- Meets all European water safety standards
- Correct dilutions safeguard the surface being cleaned against potential damage caused by excessive dilution strength

Easily

- 15 or 20 metre hose
- Supplied ready to use
- Supplied ready-to-fit, with fixing kit for ease of installation
- Intuitive operation for any user

Economically

- No chemical wastage
- Optional water inlet hoses with self-cutting taps designed to reduce installation time even further

Reliably

- Enables you to comply with all hygiene regulations; HACCP etc.
- Every unit individually factory-tested to guarantee reliability of operation
- Lime scale-resistant venturi eliminates need for de-scaling in hard water areas
- Metering tips with tight production tolerance guarantee consistent dilution performance

Models & Specifications

Model	Products	Back flow protection	Hose	Max flow rates lit./min. Product / rinse	Approx. Dilution range H2O:Chem.(3 Bar, 1.0cp)
Models, supplied without hoses, racks or Gun					
948GBD	1	Double		10 / 18	10:1 to 500:1
949GBD	2	Double		10 / 18	10:1 to 500:1
Models, complete with hoses, racks and multi-function Gun					
958GBD	1	Double	15m.	10 / 18	10:1 to 500:1
958GBD20	1	Double	20m.	10 / 18	10:1 to 500:1
958GBT	1	Triple (BA)	15m.	10 / 18	10:1 to 500:1
959GBD	2	Double	15m.	10 / 18	10:1 to 500:1
959GBD20	2	Double	20m.	10 / 18	10:1 to 500:1
959GBT	2	Triple (BA)	15m.	10 / 18	10:1 to 500:1
Models, complete with hoses, racks, multi-function Gun and Retractable Hose Reel					
959GBDR	2	Double	15m.	10 / 18	10:1 to 500:1
959GBTR	2	Triple (BA)	15m.	10 / 18	10:1 to 500:1
